I tunes charts ...

Juna was born and raised in Ishikawa, Japan. Started playing the bass guitar at 17 years old and got some prizes on band contests with her own band as bass&vocalist at 18 years old. Joined Showa University of music with scholarship and studied under a bassist Tetsuo Sakurai (ex CASIOPEA) . Performed at a music festival in Daegu, Korea at 19 years old and started her professional career in Tokyo.

Recognized as the No. 1 female bassist by the online rock magazine BEEAST in 2016. Performed at NAMM show 2017/2018 with legendary blues guitarists such as Matt Schofield, Kirk Fletcher, Davide Panno and so on. Juna is also showed up in a SONY television commercial with her 20 seconds slap bass solo.

Julia Lange, guitar

Guitar virtuoso **Julia Lange** from Babenhausen/Langstadt can look back on numerous prizes at national and international competitions. Having been trained in classical music at a very early age, she now particularly enjoys fingerstyle on steel-string guitar. Her unique arrangements for acoustic guitar, in which she combines modern, percussive elements of fingerstyle with classical techniques, have already inspired millions of people on YouTube.

Juna Serita, bass

Juna Serita band leader, **Japanese bass guitar player, vocalist and composer. Born and raised in northern Japan. Started playing electric bass and writing own music at 17.**

»Hi, this is Juna Serita. I was born and raised in Japan. Now living in the US. I am a bass guitar player. I wanna explore my music to the world!«

Harumo Imai, sax

Harumo Imai began learning to play Yamaha Electone at the age of three. At thirteen she began playing saxophone. In 2016 participate with Victor Wooten - in In 2018 she has been part of »Ralph Rolle & The Funk Patrol« a live project with by world-renowned drummer Ralph Rolle (Chic, Nile Rodgers) In 2019 she appeared with Victor Wooten on his Japan tour as guest musician. Harumo is playing various styles of music, including Funk, R&B, Soul, Hip Hop etc.

BAND FEATURING...

»Hey, it's **Sina, I'm a drummer** and a bit of a nerd but otherwise quite alright.« Now this one might seem a bit extreme. Most likely because Juna Serita is plain mad, but in a most adorable way. She's the most amazing Bass player I could think of. When we first found her on YouTube, we asked her immediately if she was interested in some collaborations. It wasn't easy to get hold of her as she is a very busy studio and session player.

Sina has worked with Alan Roberts, Anna Shirin, Briony Williams, Dennis Hormes and also with Donovan on German TV not to mentioned few ...

Sina, drums

Annie, keyboards

Annie Jules was born in Miami, FL. on May 18, 1988 as Haitian-American. Jules has also played for many other great south Florida talents in Top 40 Bands with singer and songwriter Valerie Tyson and Recording Artist George Tandy Jr., Jody Hill, Eric Stinnett, Dangerflow, Jay Smoove, and in Gospel Music, Pastor Avery Jones, Sherl Burke, and Jonathan Laurence. Annie wants to become a wonderful role model to anyone who needs a great inspiration.

She released 3 albums as her solo work. Each ranked in on **iTunes Store chart**:

- No. 1 in Denmark
- No. 2 in Japan
- No.2 in France
- No.5 in Turkey

title **»BLACK JAPAN BASS«** through whole 4pages.

Juna was also the original member of the all female band TOKYO GROOVE JYOSHI. Their music video **»What is Hip?«** went total over 2,310,000 view in a year and had tour to NY.

Bootsy Collins introduced her music video **»The Princess of Funk«** as Bootsy baby.
